

VG wishes to inform you that our stand will be in a **new location** at the Maison&Objet fair in Paris.

We are looking forward to seeing you in September, at stand Q15/R16, **HALL 5B**, in the pavilion dedicated to the **“ACTUEL”** section of the fair.

We are proud to have been selected by Maison&Objet as one of the key actors in the “ACTUEL” pavilion, an area that showcases international excellence in the field of interior design.

We consider this an acknowledgement of our commitment to research, and our ability to anticipate and dictate trends through our unique and distinctive style. See you in September.
